Note

Pedigree of Holt of Orleton Hall and Mount Mascal (Kent/Shropshire Branch) This branch is the army bankers' family (Holt & Co., founded 1809 by Vesey Holt, a partner in earlier Vaughan bank). Recorded in Burke's Landed Gentry (e.g., 1952 ed., under Holt of Orleton, cross-referenced from Herbert). Origins trace to William Holt (b. 1790), a banker with military ties; no proven link to Lancashire Holts. The Vesey name comes from maternal side (Frances Vesey).
